**Lee Roy Selmon's Sports Restaurants announce innovative
menu items for Fall and an original selection
of specialty drinks and bar snacks**

(Tampa, FL): America's favorite sports restaurant is once again the team captain in introducing to food and sports fans a new and enjoyable way to enjoy traditional favorites like the hamburger, pulled pork sandwich, the hot dog, beef brisket and much more.

It's a slider world and Lee Roy Selmon's has the best of them. A slider is a two-to-three bite version of larger favorites. When you crave a satisfying snack with all the full, rich taste of a larger portion, order a slider. It has everything you want, just a little less of it. Still want more, then order a trio of sliders or a larger family platter to share. Sliders are \$5.99 for three and \$9.99 for a platter of these just-right bites.

The new sporty sliders at Lee Roy Selmon's include these delicious mouthfuls. **Pulled pork slider** with Selmon's own original

Kansas City barbeque sauce is topped with a dill pickle and apple-jack cole slaw. The **beef brisket slider** sits on a warm mini-roll and is drizzled with house barbeque sauce and slaw. The open-flame grilled **burger slider** is topped with cheddar, yellow mustard, ketchup and pickles.

Nathan's made the hot dog famous, Lee Roy Selmon's makes this **hot dog slider** immortal. Mini flame-grilled Nathan hot dogs are nestled in a warm bun and topped with spicy brown mustard with a side of chopped onion and dill relish.

But that's not all. The Lee Roy Selmon's chefs are ready to introduce **sweet potato fries**, \$5.99. Sweet and salty, these fries are served with a side of sweet-cane vinaigrette for dipping. The **Jalapeno Rocket** is composed of three cheeses, fiery jalapeno and applewood smoked bacon rolled in a crispy shell. Bold and delicious finger food for \$4.99 or family style for \$7.99.

Two specialty salads that were introduced over the summer months have made it to the fall lineup, so back by popular demand are the **Hall of Farm Mediterranean Salad**, \$9.99 and the **Tropical Salmon Spinach Salad** for \$10.99.

Buffalo-style wings served mild, medium, hot, honey-barbeque or sweet fire made the team this year and join the Selmon Brothers famous marinated-slow **smoked grilled wings with spicy Oklahoma sauce** for \$7.79. A platter of 25 wings is \$17.49.

Sure to be a fan-favorite new bar snack is our **peppercorn crusted ahi tuna** - that is pan seared, sliced and served with a side of soy sauce, wasabi and ginger for \$6.99. (family style, \$10.99).

Of the dozens of new specialty mixed drinks that the Selmon bartenders have chosen to keep fans cheering include the Cadillac Margarita, the Madras (with fresh-squeezed orange juice), Long Beach

Tea, the John Daley, Twisted Cosmo, Pom Pom Martini, Tampa Bay Breeze and Blueberry Bomb. Of course, the Selmon's famous Tampa Smokin' Tea for Two is still prominent on our bar menu. This hugely popular drink consists of Finlandia vodka, Captain Morgan rum, peach schnapps, sweet & sour, grenadine, and fresh-squeezed orange juice. We kick it up a notch with a floater of Myer's rum.

When the ref flips the coin and the game begins, Lee Roy Selmon's is the only place to be for good times, great food, the best of drinks, the most comfortable sports watching anywhere in this world. And as Lee Roy always says, "play hard, eat well and don't forget to share." www.leeroySelmon's.com.
