## **SUPER BOWL, SUPER FOOD, SUPER CELEBRATION**

### ***Lee Roy Selmon's Put it All Together for the Big Game***

For this 44<sup>th</sup> Super Bowl in Miami, the best seat for the big game isn't at Land Shark Stadium, it's at your neighborhood Lee Roy Selmon's sports restaurant where \$63 gets you a ticket for a reserved seat, the best view of the game and a menu of soul-satisfying favorites served in a bountiful tasting with your favorite beverages. Super Bowl Sunday is February 7.

From 5 p.m. until the winning team declares victory at Super Bowl XLIV, your \$63 ticket includes reserved seating, draft beers, house wines and call-brand cocktails. The menu is a hearty selection of smokehouse favorites (Selmon's famous St. Louis ribs, pulled pork, a variety of sliders and sweet potato fries, Selmon Brothers' original wings and the new Buffalo-style wings) and signature sides such as Mama Selmon's home-style baked beans, Lee Roy's famous cornbread casserole and apple-jack coleslaw. This affordable ticket price is a reference to Lee Roy Selmon's legendary number when he played for the Tampa Bay Buccaneers.
